“Antibiotic Stewardship for the 21st Century”

Brad Spellberg, MD, FIDSA, FACP
Professor of Clinical Medicine
Associate Dean for Clinical Affairs
Keck School of Medicine at University of Southern California
Chief Medical Officer
Los Angeles County-University of Southern California Medical Center

Wednesday, January 24, 2018
12:00 p.m. Erny Auditorium
Rock Pavilion, 1st floor

Learning Objectives
At the conclusion of this conference, the participant should be able to:
1. Understand the societal trust nature of antibiotics
2. Be familiar with tactics, strategies, and grand strategies to make antibiotic stewardship effective
3. Understand the implications of failure to improve in our protection against antibiotic overuse
