# +1 FAQs & INFORMATION

## What is a +1 Accelerated Program?

+1 Accelerated Programs allow eligible undergraduate students to earn up to 12 specified graduate credits.

Upon graduation from their undergraduate program, students move seamlessly into their graduate program, which they complete, in most cases, in one additional year.

## Why Pursue a +1 Accelerated Program?

Students in +1 programs accelerate the time it takes to earn a master's degree while taking up to four graduate courses at the undergraduate tuition rate. Pursuing a +1 accelerated program also shows potential employers your level of ambition and willingness to take on a challenge.

## When to Apply & Start Graduate Courses

Students apply the semester before they want to start the +1 graduate courses. (Students who do not enter in Junior year, first semester, may not be able to complete the +1, depending on their academic plan; CEHD advising will review the plan and make this determination.)

- **Junior year, 1st-semester entry:** This is the ideal semester to begin a CEHD +1 program and graduate courses. Entry in this semester is how the programs are designed and offer students the ability to take one graduate course in each of their remaining semesters.
- **Junior year, 2nd-semester entry:** Students may be able to complete 12 credits in the remaining three semesters, dependent on the academic plan for completion of the bachelor's degree.
- **Senior year, 1st-semester entry:** As per university policy, students are able to complete *up to 9* credits in the remaining two semesters, dependent on academic plan for completion of the bachelor's degree.

## Application Dates & Deadlines

### Spring 2023

**October 1:** Application opens

**November 15:** Deadline to submit +1 application

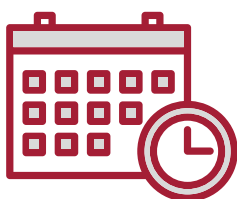

**December 1:** Deadline for all additional application materials to be received

### Fall 2023

**March 1:** Application opens

**April 15:** Deadline to submit +1 application

**May 1:** Deadline for all additional application materials to be received

# LIST OF CEHD +1 PROGRAMS

## +1 Accelerated Master's (Dual-Degree) Programs
