

Equity Series for EDUCATIONAL LEADERS

As our PreK-12 schools endure the educational effects of remote and hybrid learning for 18 months, concerns are being raised by our educational leaders on the current racial equity concerns districts need to consider and the long-term strategic thinking that needs to be employed to sustain a racial equity focus. Temple University's faculty in Educational Leadership and Policy are convening a three-part series to provide examples of developing racial equity goals and metrics.

SESSION 2: What Are Ways to Measure Racial Equity Goals?

Tuesday, April 20, 3:00-5:00 p.m.

PRESENTERS:

Dr. David Osher

Vice President and Institute Fellow
American Institutes for Research

Dr. Odis Johnson

Professor
Johns Hopkins University
